

University of Minnesota Duluth
Swenson College of Science & Engineering
Dr. Alan M. Johns Pre-Medical Scholarship Application

The purpose of the Dr. Alan M. Johns Pre-Medical Scholarship is to provide scholarship assistance to UMD Swenson College of Science and Engineering students who are taking appropriate undergraduate classes towards pre-medicine and whose career goal is to become a medical doctor. The University of Minnesota Duluth will use the scholarship to promote a diverse student body. In accordance with the donor's and Dr. Alan M. Johns' wishes, a plus factor will be given to Native American students.

- Students must have a declared major in a discipline that provides adequate coursework for pre-medicine studies.
- Students should have a career goal of becoming a medical doctor.
- Students should be in either their junior or senior year of college.
- Preference will be given to students with financial need.
